Faith Is....

Faith is your "yes", when your soul is screaming "no".
Faith is a step, when you don't know which way to go.

Faith is eyes that see past the "now".
Faith knows you'll get there, even if you don't know how.

Faith trusts, that you're growing roots,
Long before, you see the ripened fruits.

Your roots are growing deep and wide,
They're making you solid and strong inside.

Faith is knowing the work that's being done,
Will mature My Bride so we can be ONE.

Faith is a prayer whispered in the night.
Faith knows in the darkness, it will be alright.

Faith hears the voice that is still and small.
Faith stands back up after a fall.

Faith sees the barren, but calls forth life.
Faith releases shalom in the midst of strife.

Faith is a word that many know.
But faith takes action if you want it to grow!

Faith won't flourish if it's put on a shelf.
It has no power all by itself.

Faith needs a partner, and that partner is you.
So pull the power of faith into all that you do!

Hebrews 11:1 (TPT)- Now faith brings our hopes into reality and becomes the foundation needed to acquire the things we long for. It is all the evidence required to prove what is still unseen.
